Bethesda Women and Children's Mission provides long-termed programming for those interested in and in need of Recovery from Substance Abuse. Under the umbrella of the Bethesda Mission, the women's program is moving into its 35th year of service in the Harrisburg, Pa area. In addition to daily living skills routine, women receive counseling services, 12 step recovery, and a program of discipleship. All services, such as room, board, and clothing, are free. While some women are legally mandated to complete our program-- most women choose our program in hopes of a change and a life free of substance abuse.

Church of the Apostles UCC is an intergenerational congregation with significant emphasis on the elderly and the children. We worship with about 200 people each week within two services at 9:15 & 10:45 AM. Our children's Sunday school classes begin in worship and then leave following the Children's Time. We are a congregation that is well connected with our community and denomination in mission work with multiple outreach endeavors. This year's focused mission is to send a shipping container of food to Honduras and is being led by our youth group. We are a multi-staff organization with both a senior and associate pastor.

We are a multi-staff, 300+ member congregation with a variety of worship services, and a long E&R heritage. While, like many churches, the majority of our membership is on the older end of the spectrum, we are a very active congregation, stepping excitedly into the future. We have a large building that is used by the church and/or community groups seven days a week. Located in Harrisburg, we are not a downtown or really an inner-city church, but have access and outreach to local community services and outreach.

The Clinical Pastoral Education program at Phoebe Ministries is designed to offer students opportunities to practice ministry in a variety of settings. Students may choose to minister in one of four continuing care retirement communities (CCRC's)—Allentown, Richland, Wyncote, and Berks. These settings offer educational experiences comparable to parish situations and provide invaluable opportunities for developing long term pastoral relationships. Students will be mentored on-site by one of Phoebe's six staff chaplains and will negotiate their responsibilities with their mentor.

In addition to ministering to individuals, families, and staff, students have the opportunity to lead worship, Bible Study, bereavement and spiritual support groups. They are also invited to join in resident Interdisciplinary Team Reviews and case consultations. Clinical Pastoral Education is a process model of theological education which utilizes a method of learning pastoral practice in a clinical setting under the direction of a certified ACPE educator. The ACPE program at Phoebe Ministries is accredited by the Association for Clinical Pastoral Education, Inc.

WellSpan Health and its educational programs are designed to help deal effectively with a complex mix of patients - both in-patients and ambulatory. The clinical setting is a primary learning resource for Clinical Pastoral Education students. At York Hospital, we provide most available clinical services except organ transplantation. York Hospital is a modern 572-bed community teaching hospital that employs more than 4,400 people and serves a population of 520,000 + in south central Pennsylvania. York Hospital is a Level 1 Trauma Center and a Primary Stroke Center. The clinical opportunities for ministry in this setting are vast and varied. The CPE program includes a curriculum of five seminars (verbatim, didactic, interpersonal group, integration and individual supervision). Each unit is made up of 100 hours of supervised education and 300 hours of clinical ministry. Students are assigned to a Service Line for the duration of their training program. Students are also responsible for covering on call times in a rotating fashion.

Derry Presbyterian Church, in Hershey, has deep roots, fresh growth, and broad reach. We have two services on Sunday morning and a dedicated Sunday School hour. We average over 300 worshippers a week and welcome all ages into worship as participants and leaders. We have multiple choirs for all ages and are starting to broaden our musical offerings. All ages are engaged in mission through fellowship group, special Sunday opportunities, trips, drives, and work with mission partners.

We are a church that is busy seven days a week. A student intern will have the opportunity to learn in a healthy large-staff environment. We are looking for a student to be engaged with

mission and outreach to young adults. This entails working with our mission committee and helping with some new alternative worship offerings, as well as opportunities to teach classes, lead Sunday worship, attend Session meetings, and learn about any other areas of the church as desired.

Eastminster is located in York, PA. It is a member of the Presbytery of Donegal, the Synod of the Trinity, and PCUSA. The membership is 334 with average worship attendance of 170. Our Sunday School program involves 15 to 20 children and a youth program for middle and high

school students that averages 15.

A seminary student working with Eastminster would have the following responsibilities:

- Their primary responsibility would be conducting the Communicants class that starts in the fall.
- There would be direct interface with the youth programs.
- Be involved with worship services on a regular basis, to include presenting sermons on an agreed upon basis.
- Visit sick and homebound members as agreed to with the Pastor.
- Attend relevant Board and committee meetings.

Eastminster would see the commitment of the student to run from August to April.

Approximately 60 hours are recommended on a monthly basis. Eastminster feels this level of involvement is necessary to gain a full understanding of the life at Eastminster and to provide the student with a comprehensive and meaningful experience.

Grace United Church of Christ, one of Lancaster County's truly welcoming congregations, adopted O&A nearly 15 years ago and that continues to welcome and include LGBTQI and straight individuals in the full life and ministry of the church. We invite all people to share their gifts as we journey together in faith and covenant to be responsible to God and to one another. Our Sunday attendance grows as we ourselves are growing. We work with local communities of faith to provide hot meals, food baskets, and shelter in the winter. We provide a place where the public can come in times of uncertainty and we work for social justice

concerns such as racism, heterosexism, refugee resettlement, and homelessness. We have growing musical programs, such as a choir, praise band, handbell choir, and an early Renaissance choir, and continue to dedicate ourselves to energizing a Christian Education program.

"Founded in 2004, Interfaith Philadelphia works to promote inter-religious and intercultural understanding throughout the Philadelphia region. We have 350+ organizational and congregational partners, and work with individuals and communities that orient around religion in many different ways, to foster dialogue and understanding across lines of difference.

Our vision is that all people are valued, distinctive traditions are welcomed, and people of diverse backgrounds collaborate to shape a just and compassionate society. We work toward this vision by equipping individuals and communities for interfaith engagement, building collaborative relationships, and standing in solidarity with our diverse neighbors.

Interfaith Philadelphia draws upon its 15 years of expertise in facilitation, organizing, and community initiatives, to offer a wide range of programs including: trainings/workshops; immersive interfaith experiences; and critical tables where religious and community leaders come together to advance interfaith understanding.

The latter is a liturgical service, with a variety of music, and a Senior Choir augmented by four vocal music majors from West Chester University. Members and friends are involved in a number of community ministries, and our LIFT (Living in Faith Together) Youth Group goes on a mission trip each summer -- in June 2018, to West Virginia. Our 2017-2018 Confirmation and Commissioning Class has nine members.

Maidencreek Church is a vibrant inclusive church. On a Sunday morning we average 145 participating in worship. The service is inter-generational, children, youth and adults participate. Our ministries reach into the community, provide Christian education for adults and youth and provide opportunities for members to use their gifts in music as well as prayer, visitation and serving communion to home bound members. Our youth are engaged in ministries that include Sunday school, choir, chimes, junior, middle school and senior high youth groups, church camps and retreats.

We have had student pastors for the past six years. As a “teaching church” we understand that our student pastor is learning from us. Our goal is to work with the student’s field education goals. Therefore, each student has a different experience and we do not compare students but experience new insights from each one. We enjoy learning from our students as we teach.

One UCC is located in Kenhorst, a suburb of Reading city, about 35-40 minutes from LTS. At its core, we are a small, and growing, diverse congregation who loves Jesus and follows him in some customary and quirky ways. Reflecting the authenticity and giftedness of our people, our worship service is a bit traditional and a bit rock and roll. Our ministries include the usual activities of a congregation like faith formation, fundraising for local organizations, and building relationships within our community, and we have been known to host neighborhood hangout nights in the summer and worship in our pajamas on Christmas morning. We value relationship, play, creativity and feeding people both literally and metaphorically. Throughout the year ahead we will be working through a congregational visioning process and be preparing for our pastor's sabbatical during the summer of 2018. We have been blessed to work with LTS seminarians in recent years and value the energy and giftedness they have brought to our congregation's life. One UCC seeks to support a student's learning goals and provides space for them to explore a wide range of experiences in a local congregation's life.

Located about a 25-30 minute drive from the Seminary, Peace Church has a long history serving as a learning site for students. We are looking for a candidate who has a strong desire to serve the church and receive from us a gift of welcome and experience. We are also looking for an individual who has gifts that they would be able and willing to share with our church and congregation. We offer two worship experiences in which our student will be involved. The early service is a contemporary styled worship with a more relaxed setting. The second, later service is a more traditional worship experience. We are open to you joining with us, trying new things and gaining an experience that will set you on a firm foundation as you prepare to serve the church.

We believe that the church, the wider church, needs good, solid leadership as we move to the future. We would like to help prepare you for that future.

"St. Luke's is a diverse, inclusive community. All are welcome to worship with us and participate in our various programs. Founded in 1852, we are an historic downtown church that draws people from the greater Scranton area. Many grew up in the parish and have been

lifelong members; others are new to the region, as well as the Episcopal Church. Our community comprises a wide spectrum of people from the very old to the very young. We are married, single, widows, widowers, divorced, gay and straight. Our occupations and backgrounds are varied. Together we strive to discover, live into and share God's love.

We offer three forms of Eucharistic worship each week, a said service on Saturday evenings; a sung liturgy on Sunday morning, featuring our professional choir; and a Noon "Healing Eucharist" on Wednesdays. In addition to our worship, we offer Centering Prayer (a meditative prayer practice) every Tuesday, as well as regular Adult Formation programs, Sunday School using Godly Play (a Montessori based program), Bible Studies, Lenten Studies, Quiet Days, and other times for learning and growth.

We have recently established a 501(c)(3), Cypress House at St. Luke's, to offer social services. Our inaugural project will be a prison re-entry bakery modeled after Homeboy Industries in Los Angeles.

St. Peter's Lischey's UCC comes out of the Reformed denominational branch of the UCC. We are a rural church serving a congregation in Spring Grove, PA. This placement would offer a theology student many different opportunities to experience what it means to pastor a congregation. Worship services blend the contemporary with the traditional. Music ministry is a delight not often expected from a small church. Opportunities to teach God's Word are hindered only by one's imagination. Pastoral visitation experiences in a variety of settings are

available. The student at St. Peter's Lischey's UCC is a safe place to explore, grow and develop one's unique style as a pastor.

St. Stephen's Cathedral is an Episcopal congregation in the downtown area of Harrisburg. As the Cathedral, it acts as the spiritual hub of the Central Pennsylvania Episcopal Diocese. The Sycamore House Service Corps is one of its ministries, and is a part of the Episcopal Service Corps, a national network of service programs for young adults who want to live in intentional community. Each year, 6 corps members join the program and are placed at various nonprofits. They work 4 days a week and on Fridays, come together for spiritual development and vocational discernment. They live in a house together and share meals regularly from a common food budget. They are involved in the life of the Cathedral, as well as the greater Harrisburg community.

Before 1742, Trinity Church was founded as the “German Reformed Church of Yorktown beyond the Susquehanna.” Through successive mergers of the parent denomination, Trinity has been a parish of the Reformed Church in the U.S., the Evangelical and Reformed Church, and, since 1957, the United Church of Christ. In 1981, Memorial Church merged with Trinity Church for a renewed United Church witness to center-city York.

Today, Trinity UCC Church is an active and vibrant member of the downtown York City community, participating in many social justice programs through its various ministries. Trinity provides funding for assistance with housing and daily life necessities through its indigent care fund. The Trinity College Preparatory Academy: Jacob DeHoff Learning Center is a centerpiece of the church’s ministry. Through the work of the TCPA students in York and surrounding communities are introduced to higher education opportunities. The music ministry of Trinity is renowned and is known for its world class pipe organ, as well as its professional acoustically equipped sanctuary, and eclectic sound of diverse musical genres from classical to gospel to jazz worship on Sunday mornings. Trinity UCC-York is a member of the York Downtown Financial Development Board, as well as a member of the York College Community Engagement Advisory Board.

Trinity UCC-York is an excellent placement for seminarians to learn and practice their faith and vocation. The Reverend Dr. Larry Covin is the Senior Pastor.

Trinity United Church of Christ, East Petersburg is a vibrant congregation with deep roots in the Mercersburg tradition. On a Sunday morning we average about 140 worshippers at two liturgical worship services. The 7:45 service is Word & Sacrament and the 10:30 service is a Service of the Word with Holy Communion twice a month. There is a children's sermon at the 10:30 service. Trinity has a strong music program which is reflected at our 10:30 service and our concert series. We have Sunday School classes for all ages, especially three adult classes. We have small groups through our prayer shawl ministry, women's group, men's group, Bible study, and book study. We reach out to the community and the world through various community meals, supporting local feeding programs, and financial support of local mission projects and the U.C.C. mission offerings.

The Unitarian Universalist Church of Lancaster, founded in 1902, occupies a historic building in the Chestnut Hill neighborhood of Lancaster City, just a few blocks from the campus of LTS. As the single UU Church in Lancaster County, the congregation stands as a beacon of liberal faith in the south-central region of Pennsylvania. With a membership of ca. 275 and professional staff of five, the congregation can offer an emerging minister learning opportunities in worship leadership; children/youth and adult faith development; music; pastoral care; social justice

outreach; church administration and staffing; and much more. In addition to spiritual programs and classes representing the theological diversity articulated in the Six Sources of Unitarian Universalism, as well as Sunday morning worship coordinated with the UU "Soul Matters" program of monthly spiritual themes, the congregation also supports a women's spirituality group known as "Web and Wheel" and a liberal Christian study group, "Open Table."

United Presbyterian Church, Pottsville offers urban ministry. We host a homeless shelter every night of the week, and a food pantry once a week. We are a congregation of folks who are learning and growing into what it means to be disciples of Christ's church. We wrestle with God and our own human nature through weekly Bible study, Lenten studies, Sunday School, and during worship, to discover how to be our best selves in a constantly changing and challenging world. On a Sunday morning we average 65 participants, comprised of less than a handful of children and youth.
