Thank you for your willingness to assist in the theological education of a student at Lancaster Theological Seminary. Lancaster Theological Seminary values the insights that the lay committee members offer to assist in the ministerial formation of our students. We recognize that the perspective from which you observe a student in ministry is valuable and your comments are very important to us as a teaching institution. Please evaluate the student to the extent to which they have met their learning goals. Please complete both sides of the form at the end of the student's learning covenant period. Please review and discuss this form with the student PRIOR to signing and sending it to the seminary.
