INTRODUCTION

It is time to begin thinking about what you want to learn through your required Field Education placements and where you might want to be so that your learning can take place.

LETTERS OF COMMITMENT ARE DUE BY APRIL 26/27, 2019!

The Field Education Office is committed to helping you find a placement that meets your needs and your educational goals. If you do not find your preferred congregational makeup, in terms of theological, geographical, racial and ethnic and gender concerns, in this listing, please be in touch with the Field Education Coordinator immediately regarding a new possible site and supervisor possibility. For each new placement, the supervisor and site must be approved, through the process of an interview, receiving letters of Good Standing, a site visit as appropriate and planning for orientation of all new supervisors. Please note also that there may be some congregations who would consider welcoming a student based on their specific criteria. It is important to talk with the Field Education Coordinator about such possibilities.

NEXT STEPS AND IMPORTANT INFORMATION

- 1) **For Church Sites:** You should visit the site during their regular worship time in order to get a better idea if that site is what you are looking for. You may call to speak with the pastor before visiting, letting them know you are interested and will be attending worship. If your time is limited, you may request during that call a time to meet before worship or after with the Lead Minister. Be ready for them to say “no” since Sundays are a very busy time for all ministers but try to ask any way.
- 2) Call the site to request a time to visit the site and become more acquainted with their services. If you cannot visit on a Sunday, another option would be to visit when there are other activities scheduled in the building. It is highly recommended that you have that interview at the site not at a coffee shop.
- 3) Always have plan A, B and even C in case one does not work. During the interview, be ready to share your possible learning goals orally (if you want to you can write them out and share a copy). This is similar to a work interview in which both you and the prospective employer are discerning if this is a good match. You do not have to make a decision right on the spot; it is recommended both parties wait before making the commitment.

- 4) A student minister may ask during the interview if other LTS students have been contacting them (not who contacted them). Get a feel if there are others competing for that site. Ask what they are looking for in a student minister; start the conversation with the description they sent to LTS. If there is no competition, you have more time; if there are others, you may want to express your desire to be considered, but keep on searching for option B & C.

- 5) **Stipend:** From the Field Education Guidelines: The field education experience is designed to take place for the Day MDiv student during their second and third year. For the Weekend MDiv student's field education, placements are required during their third and fourth year. The students are expected to covenant with a congregation for an 8-month period. Master of Divinity Students are expected to do three terms composed of ten weeks each term. The church calendar will override the academic calendar. The church calendar will exceed 30 weeks (3 terms) at 32-34 weeks. This may include serving at a church site up to the second week of December in order to honor the Advent season program and during April's Lenten season. In other words, during the academic year, a student may accumulate approximately 200-272 hours of practical experience. For this amount of time, \$4,000 to \$4,500 would be a reasonable stipend of support for the seminarian for the academic year.

Please note: For a few particular geographical areas, there are some additional funds available to be accessed by congregations who do not have funding to offer a stipend. Please see the Field Education Coordinator about this possibility.

- 6) **Commitment Forms** can be found here (under Field Education Forms on our LTS website). This is the document you and the site will use to confirm you will be doing your Field Ed requirement at that site starting in August 2019. All Commitment Forms are due back to the Field Education office by April 26/27. Please make scheduling arrangements for next school year and be ready to offer 5-8 hours a week at your site. Students are reminded that they are expected to keep up with their seminarian studies while they are participating in Field Ed. All sites understand that student minister time is limited and will agree ahead of time what their weekly schedule commitments are at the site. For your own sanity and well-being, stay with the scheduled day or Sunday commitment.

- 7) **CPE Centers:** There are seven CPE Centers where our LTS students have been doing their CPE requirement (in accordance to their Association, Conference or Judicatory requirements, not LTS). Please remember a CPE unit may be used to fulfill one of your Field Education requirements for your M.Div at LTS. Different than other Field Ed sites, you will need to first apply to be considered by filling out the ACPE application. Acceptance to these centers is totally independent from LTS, and each CPE Supervisor will use a set of distinct criteria to invite seminarians into their intern CPE program. If you want more information about CPE, set-up a time to talk with the Field Education Coordinator.

Students should connect directly with the CPE Center about their interest to get deadlines to apply. Some information is available from the Field Education office or on the Field Education bulletin board located on the lower level of Lark (in front of Dr. O'Brien's office). Visit that CPE Center's website as well. All of these CPE Centers are happy to receive applicants from LTS.

CPE begins with a single unit. Each unit includes at least 400 hours (100 hours of peer group and supervised ministry, and 300 clinical hours of practical ministry). Centers offer various modalities, including: a 10-12 week summer program, one semester Fall or Spring (20-24 hours per week) programs, or extended unit two-semester programs (10-12 hours a week). With one unit of CPE, a candidate may apply for a full year residency program (3-4 consecutive units). CPE residencies are paid positions with benefits, but Lancaster Seminary recommends that seminarians apply for a residency after they have completed their MDiv given the high demands of required hours at the hospital (40-55 hrs a week).

The Seminary will reimburse students their CPE tuition according to the guidelines in the Student Handbook. Students doing CPE must register for Field Education (1.5 credits) with the Registrar. Students must submit all final evaluations for the CPE experience and schedule a meeting with the Field Ed Coordinator to review and debrief the learning experience. The Field Ed Coordinator will complete and sign a Field Education/CPE Form. The student will take this form to the Registrar for a signature. The student is required to present a copy of this signed form and a copy of the receipt(s) to the Business Office when requesting a refund for the CPE unit.

One CPE unit can only fulfill one Field Education placement. Students will need to consider a church placement as a way to continue improving their pastoral care skills.

DEADLINES

We encourage each LTS student to work diligently in setting up their Field Ed site before April 27th. The Field Education Office will be closed in June and July.

We have over 200 sites that in the past received student ministers. The ones listed here are the open sites that expressed interested and are ready for an LTS student in 2019-20.

New sites will take time to approve, if you are seeking out a site not listed, please be in contact with our office. All new supervisors will need to attend the **Wednesday, May 15th Supervisor Training.**

There may be other sites contacting our offices in March but given that this is the final listing I will approach students individually if I hear from new sites. It is important we meet and I understand what you are searching for in a site. If you have any questions please contact our office and request a meeting. We will be happy to discern with you options that best suit your leadership development.

Keep hope: there is a site for you out there! All you need to do is to make that connect, walk that journey, learn and serve.

261 Main Street, Blandon, PA 19510

Maidencreek Church is a vibrant inclusive church. On a Sunday morning we average 145 participating in worship. The service is inter-generational, children, youth and adults participate. Our ministries reach into the community, provide Christian education for adults and youth and provide opportunities for members to use their gifts in music as well as prayer, visitation and serving communion to home bound members. Our youth are engaged in ministries that include Sunday school, choir, chimes, junior, middle school and senior high youth groups, church camps and retreats.

We have had student pastors for the past six years. As a “teaching church” we understand that our student pastor is learning from us. Our goal is to work with the student’s field education goals. Therefore, each student has a different experience and we do not compare students but experience new insights from each one. We enjoy learning from our students as we teach.

The congregation of Mt. Zion United Church of Christ in York is seeking a field education student to partner with us as we learn and grow together. Mt. Zion is a healthy, vibrant congregation with an active membership. We take seriously our call to be disciples in the world and to be a community of covenant and care. This is evidenced through our many and varied ministries and the energy that our congregation exhibits.

Mt. Zion has multiple ministry opportunities that a field education student could plug into, including a dynamic and vital children and youth ministry program, spiritual formation for all ages, and numerous outreach and mission opportunities. We embrace both traditional and creative worship experiences that are created through clergy and lay input. We have two worship services on Sunday mornings (8 AM and 10:30 AM) and spiritual formation classes during the 9 AM hour.

Mt. Zion is a family of faith that encourages learning and growing with one another. We are loving, accepting, and open to new experiences. We are excited about what God has in store for our congregation and look forward to welcoming a field education student who is eager to be both a giver of experience and energy, while also the recipient of the many gifts of our church. Trinity UCC (York, PA)

Larry Covin

lcovin@lancasterseminary.edu ♦ 717-848-1775 ♦ <https://www.trinityucc-york.org/>
32 West Market Street, York, PA, 17401

Before 1742, Trinity Church was founded as the “German Reformed Church of Yorktown beyond the Susquehanna.” Through successive mergers of the parent denomination, Trinity has been a parish of the Reformed Church in the U.S., the Evangelical and Reformed Church, and, since 1957, the United Church of Christ. In 1981, Memorial Church merged with trinity Church for a renewed United Church witness to center-city York.

Today, Trinity UCC Church is an active and vibrant member of the downtown York City community, participating in many social justice programs through its various ministries. Trinity provides funding for assistance with housing and daily life necessities through its indigent care fund. The Trinity College Preparatory Academy: Jacob DeHoff Learning Center is a centerpiece of the church’s ministry. Through the work of the TCPA students in York and surrounding communities are introduced to higher education opportunities. The music ministry of Trinity is renowned and is known for its world class pipe organ, as well as its professional acoustically equipped sanctuary, and eclectic sound of diverse musical genres from classical to gospel to jazz worship on Sunday mornings. Trinity UCC-York is a member of the York Downtown Financial Development Board, as well as a member of the York College Community Engagement Advisory Board.

Trinity UCC-York is an excellent placement for seminarians to learn and practice their faith and vocation. The Reverend Dr. Larry Covin is the Senior Pastor.

Trinity United Church of Christ, East Petersburg is a vibrant congregation with deep roots in the Mercersburg tradition. On a Sunday morning we average about 140 worshippers at two liturgical worship services. The 7:45 service is Word & Sacrament and the 10:30 service is a Service of the Word with Holy Communion twice a month. There is a children's sermon at the 10:30 service. Trinity has a strong music program which is reflected at our 10:30 service and our concert series. We have Sunday School classes for all ages, especially three adult classes. We have small groups through our prayer shawl ministry, women's group, men's group, Bible study, and book study. We reach out to the community and the world through various community meals, supporting local feeding programs, and financial support of local mission projects and the U.C.C. mission offerings.

The Unitarian Universalist Church of Lancaster, founded in 1902, occupies a historic building in the Chestnut Hill neighborhood of Lancaster City, just a few blocks from the campus of LTS. As the single UU Church in Lancaster County, the congregation stands as a beacon of liberal faith in the south-central region of Pennsylvania. With a membership of ca. 275 and professional staff of five, the congregation can offer an emerging minister learning opportunities in worship leadership; children/youth and adult faith development; music; pastoral care; social justice outreach; church administration and staffing; and much more. In addition to spiritual programs and classes representing the theological diversity articulated in the Six Sources of Unitarian Universalism, as well as Sunday morning worship coordinated with the UU "Soul Matters" program of monthly spiritual themes, the congregation also supports a women's spirituality group known as "Web and Wheel" and a liberal Christian study group, "Open Table."
